# WHAT IS AN ACTIVITY PROFESSIONAL?

**Activity Professionals are essential members of the care team in senior living communities.**

They create experiences that help residents:

- Stay connected
- Feel valued
- Live with purpose

This role blends creativity, leadership, and compassion into a career that truly matters.

*I always knew I wanted to help people... I just didn't know where I fit. This showed me exactly where.*

## **This Might Be the Career You've Been Looking For...**

- You're the kind of person who notices when someone feels left out... and wants to include them.
- You enjoy being creative—but not just for yourself. You like using it to make other people happy.
- You don't want a job where you sit behind a desk all day doing the same thing over and over.
- You've thought about healthcare or helping professions... but didn't feel drawn to hospitals, needles, or long years of school.
- You want your work to actually matter—to real people, in real moments.

**This career blends creativity, connection, and purpose in a way most jobs don't.**

It's not about being perfect.  
It's about showing up, caring, and creating moments that matter.

If you saw yourself in even a few of these... you're already closer to this path than you think.

# A DAY IN THE LIFE

No two days are the same —and that's what makes this career so fulfilling.

## A typical day might include:

- Leading group activities like music, games, or art
- Spending one-on-one time with residents
- Planning events and celebrations
- Supporting emotional wellness
- Creating moments of joy and connection

## Quick Self Check

- Do I enjoy connecting with people?
- Do I want meaningful work?
- Do I prefer variety over routine?

If you answered yes to most of these, this path is worth exploring.

*“This isn’t just a job—it’s work that brings people back to life.”*

## What You’ll Gain:

- National certification pathway
- Real-world skills (communication, planning, leadership)
- Experience in senior living communities
- Career growth opportunities
