July 4th is a time for fireworks, Hamburgers, Hot Dogs and BBQ Ribs, Beer/Coke & some summer fun. Starting at noon on the 4th we will be serving grilled ribs with BBQ sauce (hot dogs for those who prefer this instead). This will be what it is for lunch. Activities and Dietary are working together to prepare this meal for residents and staff. Volunteers are needed. We will be serving this meal outside in the patio area. We will be coming by each resident's room prior to this event to see who will be eating outside and who wants ribs or hot dogs for lunch. The Tour de France is a multi-stage bicycle race featuring the most impressive cyclists from around the globe. This three-week long bike race held predominately (although not entirely) in France, from the 5th to the 27th of July. These 3353 kilometers are split into 21 stages, that range from 13 to 22.

Ernest Hemingway Book Club

Hemingway's role in the Lost Generation was as a writer and a cultural icon. His larger-than-life persona and his love of adventure made him a hero to many, and his influence can still be felt in popular culture today.

"The Old Man and the Sea" is one of Ernest Hemingway's most famous writings. It's the narrative of an elderly Cuban fisherman down on his luck and his ultimate experience, a persistent, agonizing battle with a monster marlin far out in the Gulf Stream, told in the language of remarkable simplicity and force.

Hemingway's search for truth and accuracy of expression is reflected in his terse, economical prose style, which is widely acknowledged to be his greatest contribution to literature.

Read two new books in July. Family members are invited to join in the book discussions.
